

MAINE EAST 2020 | 2021 PROFILE

The School and Community

Maine East High School lies 30 minutes northwest of downtown Chicago in a suburban area serving parts of Des Plaines, Park Ridge and portions of Glenview, Morton Grove and Niles. Maine East educates students who speak 54 languages and 75.5% of students live in homes where English is not the primary language. The student population is 38.3% white, 5.0% Black, 20.4% Latinx and 33.0% Asian.

The enrollment is 1,852 and the average class size is 20. Maine East provides a comprehensive, innovative and rigorous public education program. Curriculum offerings at Maine East are extensive, with over 200 courses offered in 10 departments, including the fine arts, world language and career technical education. Education horizons are broadened via Maine East's distance learning and videoconferencing capabilities, allowing student learning to expand into the larger community. The school provides AP courses and dual-credit courses, as well as a dedicated program to allow students internship and career experiences to help with post-secondary choices.

Angie Edsey, aedsey@maine207.org

Alen Ibrahimovic, aibrahimovic@maine207.org

Nicole Rinaldi, nrinaldi@maine207.org

Mieka Yochim, myochim@maine207.org

Registrar: Jenny Cardona, jcardona@maine207.org

Grading

District 207 reports a weighted and non-weighted grade point average on the transcript. GPA for all courses is calculated on a four-point scale. Accelerated and AP courses are given one additional bonus point. This is reflected in the weighted GPA.

Driver Education does not count in the GPA. Physical Education counts in the non-weighted GPA. In a Pass/Fail course, a passing grade does not affect a student's GPA. However, a failing grade was figured into a student's total GPA as a zero through the fall semester of 2019. Beginning with the spring semester of 2020, a failing grade is listed as NG and has no GPA impact. An NG may also indicate a course that has been audited or withdrawn from due to extenuating circumstances.

District 207's schools began using a competency-based grading system in its integrated math program during the 2019-20 school year and a small number of pilot courses spread throughout the curriculum. These courses are taught in a year-long format and use an average grading system and a 5-point grading scale rather than a traditional 100 point scale to determine a course grade.

Academic Program

**The school offers a broad and varied curriculum, the details of which can be found at: isweb.maine207.org/Course_catalog/
Among the course offerings include AP and Dual Credit options.**

District 207 schools offer over 340 courses spread over 18 academic areas. Each course is developed with preparation for both college and career in mind. Thirty districtwide Advanced Placement courses are offered. Twenty-three college-level courses are offered as dual credit/dual enrollment with colleges in Illinois.

The academic program is founded on the career pathways concept. Through a combination of rigorous and high-quality educational experiences, students prepare for the world of work understanding there are multiple pathways to a successful career.

Faculty

Approximately 80% of Maine East's teachers have an M.A. degree or beyond.

Accreditation

Maine East High School is accredited by the Illinois State Board of Education.

COVID-19 Information

The last day of physical attendance in District 207 during the 2019-20 school year was on March 13, 2020. On March 30, 2020, the district began instruction through an e-Learning format. The district followed guidance from the state and implemented a "no harm" grading policy during the e-Learning period. This meant for the spring semester a student earned the grade recorded on March 13 or the grade at the end of the semester, whichever was higher. While historically students were not given the option to take dual-credit courses as Pass/Fail, they were given this option in the Spring of 2020. The district did not provide in-school SAT testing during the spring of 2020. All sports, extracurricular activities, clubs and activities were cancelled when in-school learning ended on March 13.

Transcript Legend

ACC	Accelerated/Honors
AP	Advanced Placement
ESL	English as a Second Language
IN	Incomplete
	Grade must be earned during the first six weeks of the next quarter
NG	No Grade
	Carries no credit and used under special circumstances such as an audit which has been approved in advance
PA	Passing
	Passing grade in Pass/Fail Course
RLTD	Classroom work for job training
SS	Summer School
T	Transferred credit
TRNG	On-the-job training
PLTW	Project Lead the Way
