

MAINE EAST 2021 | 2022 PROFILE

The School and Community

Maine East High School lies 30 minutes northwest of downtown Chicago in a suburban area serving parts of Des Plaines, Park Ridge and portions of Glenview, Morton Grove and Niles. Maine East educates students who speak 54 languages and 75.5% of students live in homes where English is not the primary language. The student population is 38.4% white, 4.8% Black, 22.1% Latinx and 32.6% Asian.

The enrollment is 1,796 and the average class size is 22. Maine East provides a comprehensive, innovative and rigorous public education program. Curriculum offerings at Maine East are extensive, with over 200 courses offered in 10 departments, including the fine arts, world language and career technical education. Education horizons are broadened via Maine East's distance learning and videoconferencing capabilities, allowing student learning to expand into the larger community. The school provides AP courses and dual-credit courses, as well as a dedicated program to allow students internship and career experiences to help with post-secondary choices.

Angie Edsey, aedsey@maine207.org

Alen Ibrahimovic, aibrahimovic@maine207.org

Nicole Rinaldi, nrinaldi@maine207.org

Mieka Yochim, myochim@maine207.org

Registrar: Jenny Cardona, jcardona@maine207.org

Grading

District 207 reports a weighted and non-weighted grade point average on the transcript. GPA for all courses is calculated on a four-point scale. Accelerated and AP courses are given one additional bonus point. This is reflected in the weighted GPA.

Driver Education does not count in the GPA. Physical Education counts in the non-weighted GPA. In a Pass/Fail course, a passing grade does not affect a student's GPA. However, a failing grade was figured into a student's total GPA as a zero through the fall semester of 2019. Beginning with the spring semester of 2020, a failing grade is listed as NG and has no GPA impact. An NG may also indicate a course that has been audited or withdrawn from due to extenuating circumstances.

District 207's schools began using a competency-based grading system in its integrated math program during the 2019-20 school year. A small number of courses spread throughout the curriculum are piloting standards-based grading. In both cases, these courses are taught in a year-long format and use an average grading system on a 5-point grading scale that is converted to a letter grade rather than utilizing a traditional 100-point grading scale.

Highest Weighted GPA: 4.9211

Highest Unweighted GPA: 4.0

Free and Reduced Lunch
Percentage: 41.4%

*Represents the percentage of graduates attending in the first year after graduation and is based upon August 2020 StudentTracker Report.

Academic Program

The school offers a broad and varied curriculum, the details of which can be found at: isweb.maine207.org/Course_catalog/. Among the course offerings include AP and Dual Credit options.

District 207 schools offer over 340 courses spread over 18 academic areas. Each course is developed with preparation for both college and career in mind. Thirty districtwide Advanced Placement courses are offered. Twenty-three college-level courses are offered as dual credit/dual enrollment with colleges in Illinois.

The academic program is founded on the career pathways concept. Through a combination of rigorous and high-quality educational experiences, students prepare for the world of work, understanding there are multiple pathways to a successful career.

Faculty

Approximately 80% of Maine East's teachers have an M.A. degree or beyond.

Accreditation

Maine East High School is accredited by the Illinois State Board of Education.
