Grading

District 207 reports a weighted and unweighted grade point average on the transcript. GPA for all courses is calculated on a four-point scale. Accelerated and AP courses are given one additional bonus point. This is reflected in the weighted GPA. Driver Education does not count in the GPA. In a Pass/NG course, a passing grade does not affect a student's GPA. However, a failing grade was figured into a student's total GPA as a zero through the fall semester of 2019. Beginning with the spring semester of 2020, a grade listed as NG provides no credit and has no GPA impact. An NG may be used under special circumstances such as an audited course, a withdrawn course due to extenuating circumstances or a failed course.

District 207 moved to an integrated math curriculum in the 2019-20 school year. In all courses in the integrated math program, students study content standards in the domains of Algebra, Functions, Geometry, Number and Quantities, and Statistics and continue to develop their proficiencies with the 8 Standards for Mathematical Practice. Math 3 Compression and PreCalc Compression courses go at a faster pace, "compressing" more content so that students are prepared for the skills and rigor of AP Calculus BC. All grades received in the integrated math program are unweighted.

Academic Program

The school offers a broad and varied curriculum, the details of which can be found at: isweb.maine207.org/Course_catalog/. Among the course offerings include AP and Dual Credit options.

District 207 schools offer over 340 courses spread over 18 academic areas. Each course is developed with preparation for both college and career in mind. Twenty-three districtwide Advanced Placement courses are offered. Twenty-one college-level courses are offered as dual credit/dual enrollment with colleges in Illinois. Fifteen honors/accelerated courses are offered.

The academic program is founded on the career pathways concept. Through a combination of rigorous and high-quality educational experiences, students prepare for the world of work, understanding there are multiple pathways to a successful career.

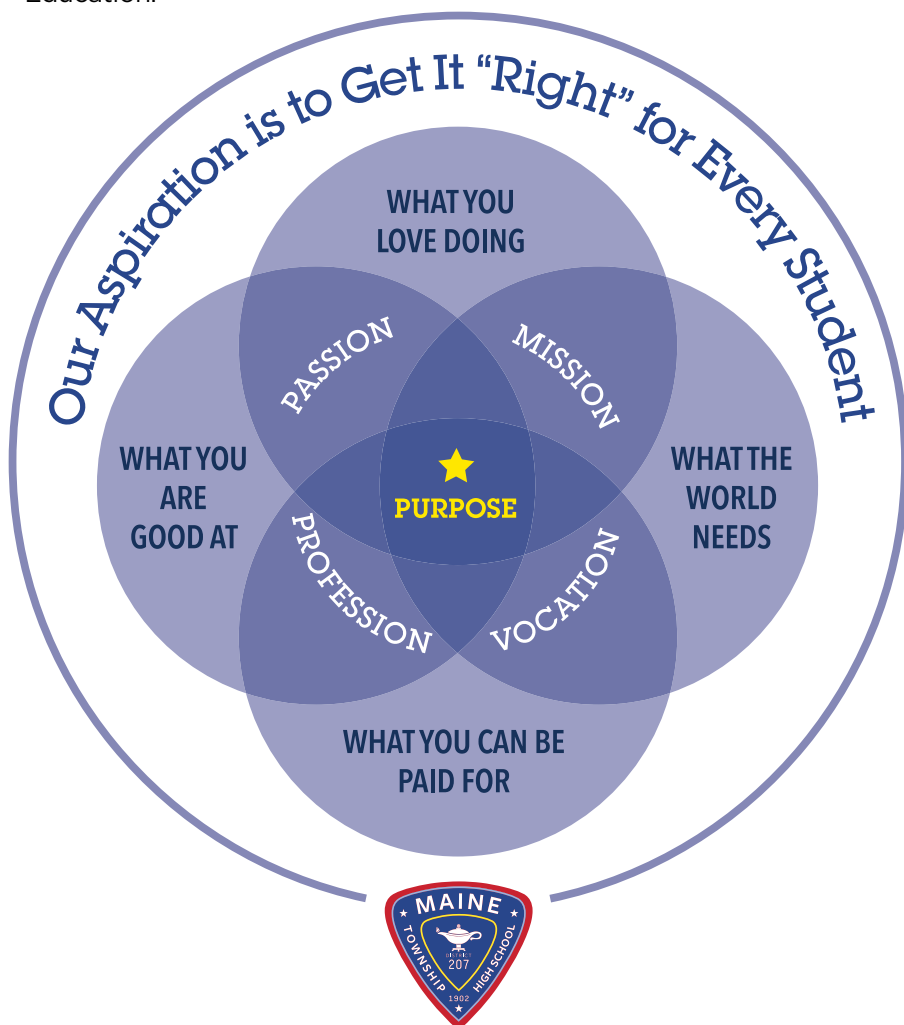

Maine East operates on an 8-period block schedule each semester (4 periods per day, alternating days) allowing students the opportunity to take 7 classes plus PE/Health which is required (lunch is embedded into the day).

Faculty

Approximately 80% of Maine East's teachers have an M.A. degree or beyond.

Accreditation

Maine East High School is accredited by the Illinois State Board of Education.
